

COMPREHENSIVE INSTALLATION AND SALES TRAINING PROGRAMS TARGET YOUR NEEDS

Our Comprehensive Installation Safety and Sales Training Programs provide you with optimum installation and safety procedures as well as an understanding of how to maximize attachment rates and profits. Training is available at novice, intermediate, and advanced levels, and courses are tailored to your specific needs. You won't find this anywhere but Peerless.

INSTALLATION SAFETY TRAINING PROGRAM

The Installation Safety Training Program is compliant with standards established for continuing education for system integrators and installers. Accredited by organizations including ICIA, CEDIA and NSCA, this on-site, value-added course demonstrates the importance of proper installation techniques and safety, and addresses efficient methods to reduce the risk of faulty installations. You receive customized, hands-on sessions to fit your installation needs, and detailed leave-behind resources that can be referred to again and again. This course is a must for novice, intermediate or seasoned installation professionals.

SALES TRAINING PROGRAM

The Sales Training Program focuses on selling strategies for distributors and retailers to increase attachment rates and profits in the mounting accessory category. This course, driven by the very latest in market trends, leaves you with a complete understanding of the product benefits, features, and strategic advantages that the carried product assortment allows. This on-site session, a complementary training for Peerless resellers, arms your sales team with a solid understanding of how to sell mounting solutions offered in your portfolio. Your team will get, answers to the most commonly asked questions and are given resources, such as leave behind materials that will assist with technical information, including mounting hole patterns and other various reference tools, that help increase mounting accessory sales.
